Mode: Online On-campus   **Semester**: B.E. (CSE) & 5th Sem   **Platform**: TESTPAD

Syllabus for Test:

Create reusable EJS partials for common UI components such as header, footer, and sidebar. Then, merge these partials into the main EJS template to construct the complete UI dynamically. Introduction to databases, SQL and No SQL Databases.
Connecting MongoDB with NodeJS application

Instructions for Test:

1. It is recommended to install the TestPad Desktop Application to appear for the exam.
2. For MAC Book, MAC 14 Sonoma OS and above is required
3. Remove VPN extensions and network proxies from the laptop
4. Internet login is required for all the students irrespective of venue. If any student doesn't have login details or forgot the password, they need to contact the mentor immediately so that the IT dept. can create the login or reset the password otherwise they will not be able to appear for the exam.
5. Laptop is mandatory for all students.

Format of Assessment:

Total Questions: 40 (Each question carries 0.5 marks)
Total Marks: 20

Signature of Course Coordinator: Dr. Damandeep
